REGULATION CHANGES FOR HANDHELD FIRE EXTINGUISHERS.

From the 1 – 1 – 2006 vehicles competing in F.I.A. events now requires 2 retaining straps for their handheld extinguishers.

Article 253, 7.3.6 Appendix J (Safety Requirements) has been amended, and reads:

**“Furthermore, only quick-release metal fastenings
(two minimum) with metal straps, will be accepted.”**

In the future all HH 240 (2.4litre) handhelds will be supplied with 2 straps.

Should additional straps be required for extinguishers purchased in the past SPA DESIGN can provide these ex stock (Part No. SP 034)

Should you require any further information, please do not hesitate to contact us on the above number.
